Note of Appreciation

Dear Eric Foo Suan Kee,

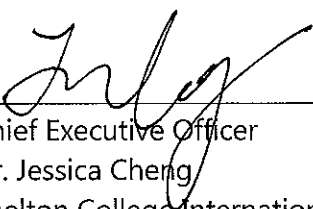

Please accept our sincere thanks for the excellent support provided by you and your staff in arranging and hosting the visit to 'Kheng Chiu Happy Lodge'.

The lodge facilities and amenities are excellent and support by your staff was outstanding. The interaction with the old folks was the highlight of the visit. Throughout the conversations, they were full of zest, beaming with smiles and very happy, truly living to the name of 'Kheng Chiu Happy Lodge'.

It was an unforgettable experience for us considering it was the first time we visited a lodge and have benefited a lot from this visit. On behalf of Shelton College International and Shangdong Youth University of Political Science, we thank you for making the visit a meaningful and memorable one.

The visitors from Shangdong Youth University of Political Science were indelibly impressed and full of praises for you and your staff for the passion, dedication and hard work. They have expressed their interest to collaborate with you in the near future. As an advocate of holistic education, Shelton College International will also be getting our Media and Arts students to do filming at your lodge as part of corporate social responsibility to contribute to society.

Once again, thank you for your gracious hospitality and professionalism.
